

Longbow
ON TARGET FOR PRICE, PERFORMANCE & THE PLANET

Value

We all want to save money, but not at the cost of having extra hassle or sacrificing print quality. With hundreds of different brands available, it is more difficult than ever to make an educated choice.

So why choose Longbow?

-  **You get 10% more pages than OEM equivalents on many cartridges, and up to a 75% saving.**
-  **Only Longbow toners have been tested by the ASTM (American Society for Testing and Materials) to ensure that we are keeping our promise on providing you with more toner for your money.**
-  **Complete Peace of Mind – our 2 year guarantee covers both the cartridge AND the printer you use it in.**
-  **We guarantee that you will get the same quality output as the OEM on all our products – and if you aren't 100% satisfied you are covered by our 'no quibble guarantee.'**
-  **We see Longbow as a commitment to your organisation – XMA invest heavily in developing new Longbow lines, to ensure that we can continue to reduce your printing and IT costs.**
-  **Be Green – by using remanufactured products you are helping reduce landfill and reduce manufacturing resources. And you can recycle your cartridges too!**
